## Lake Bennet™

Center for Rehabilitation  
and Healing

## About us

Situated in the sunny, tranquil city of Ocoee, Florida, Lake Bennet is a 120-bed Skilled Nursing facility. Our beautiful health care center provides restorative care for short term rehabilitation, as well as subacute care.

Our renowned level of care is achieved through our warm and individualized approach. Quality treatment with the highest standards and outstanding customer service ensures our residents a wonderful experience in our home.

We value the relationship we share with residents and their families and are passionate about working together to provide the highest level of care and support.

# Individualized Care

## Rehabilitation

Upon admission, a specialized plan of care is developed for each resident. Our team of healthcare professionals are skilled in creating therapy programs that are uniquely tailored to residents' individual needs and abilities.

Physical Therapy

Occupational Therapy

Speech Therapy

Restorative Therapy

## Quality Team Members

Quality long-term skilled nursing care in a warm and supportive environment, for those who can no longer manage independently. Visits from family and friends are encouraged and accommodate 24-hours a day, 7-days a week.

Therapists
